Board of Directors

At September's annual neighborhood meeting we voted in our new board members, Sandra Jeffrey and Dave Harvel. Following is a note to the neighborhood from Dave:

"I work at Peopleclick, an Affirmative Action software company. I've been there for almost 8 years working as a software tester...I get to spend all day trying to break the software so it is kind of like being a kid with a toy only I am trying to break it! Woohoo.

Judy and I have lived in Denton for 13 years, the past four here in Hickory Creek Ranch. I enjoy reading Sci-Fi and Fantasy novels, working puzzles, fishing, wood work, and, naturally with a body like this, eating! I also like to study history and archeology relating to the early biblical periods (from the middle bronze age to around the first century A.D.). I am looking forward to serving on the board and look consider this a great opportunity for learning and growing.

Sandra has lived in HCR for 5 years. She is an original member in the ladies PoKeeno group, and has always been a part of the social activities in the neighborhood. She works for Grande Communications.

The board would like to thank all of you for your efforts to make our neighborhood a more beautiful place to live. Our yard appearances directly effect *all* of our property values.

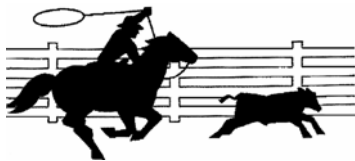

Ladies, please join us for PoKeeno!

Come join the fun! We meet at 7:00 p.m. the second Monday of each month. The hostess provides drinks and light snacks. **Tana Cooley** will host the next party at **2200 Acorn Bend** on **November 13**. We always have room for more, so please come and join us. Feel free to bring a friend, they are always welcome! For more info call Carmen at 271-2124, or Tana at 272-0106. Hope to see you next month!

Neighborhood Directory Update

Our last neighborhood directory was published in 2003. There have been a lot of changes since then so we would like to update it. Please fill out the enclosed form and submit it to Carmen Caradine, or Dave Harvel. If nothing has changed please e-mail us and let us know.

An updated directory will allow us to easily contact a neighbor if an emergency situation arises. Thank you for helping to make Hickory Creek Ranch a safer place to live.
